

Eye Care Referral Rewards Program

Fill in the coupons and give the cards to your friends and family members. When they bring in the card as a new patient, they will receive \$25.00 off their exam and 25% off their eyewear purchase (excludes contact lenses and insurance).

As your reward, you'll receive 25% off your next exam or eyewear purchase (excludes contact lenses and cannot be combined with insurance). After referring 5 patients to us your next exam will be free (if using insurance, exam and material co pays will be waived).
